Applicants indicated in a subsequent telephone call that they would elect Group I, with traverse. This traverse is based on the fact that an undue searching burden has not been established.

Nonetheless, in order to expedite the prosecution of this case, Applicants have now amended the claims to conform them to Group I as defined by the Examiner.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
